

Introducing the ELIQUIS 360 Support Program

Working Together for Patient Access to ELIQUIS

ELIQUIS 360 Support is a savings, access, and benefits verification assistance program for providers and their eligible patients prescribed ELIQUIS.

WE OFFER:

Live Support Specialists

Our live specialists are just a phone call away and ready to help you and your patients at
1-855-ELIQUIS (354-7847)
Monday–Friday, 8 AM–8 PM ET.

Benefits Reviews, Summary of Benefits and Follow-up Support

We can confirm plan coverage, help estimate patient out-of-pocket expenses and assist with Medicare Part D concerns, plus help with prior authorizations, formulary and tiering exceptions.

covermymeds®

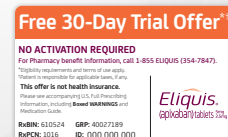

Prior Authorization (PA) Support Is Available Through CoverMyMeds

CoverMyMeds automates the PA process for providers, helping patients access their medications. You can electronically submit PA requests to all plans and receive determinations - often in real time.

This program is run by CoverMyMeds, independently of BMS, Pfizer, or Eliquis360.

Free 30-Day Trial & \$10 Co-Pay for Eligible Patients

Free 30-day trial offer for first-time patients and co-pay assistance for eligible patients prescribed ELIQUIS.
